MISSION STATEMENT

The mission of the Macomb Police Department Explorer Post #4044 is to educate and mentor young men and women who are interested in the field of law enforcement and provide an environment which impresses the importance of community service, responsibility, maturity, and teamwork upon them.

Macomb Police Department
Cadet Policy Handbook

LAW ENFORCEMENT CODE OF ETHICS

"As a law enforcement officer my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all people to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageously calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of duty.

I will never act officiously or permit personal feelings, prejudices, personal beliefs, aspirations, animosities, or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession... law enforcement."

CHAPTER 1

CADET PROGRAM

1.1 Program Overview

The Macomb Police Explorer Cadet Program is designed to allow select good standing explorers, who have exceeded the education or age requirement of the Explorer program, the ability to continue in the program as an Associate Advisor. This will afford them the opportunity to continue growing their law enforcement, leadership, and interpersonal skills for a career in law enforcement.

Cadets can experience a broad range of operational and administrative functions to ensure the smooth function of the explorer program. Cadets will serve as an associate Post Advisor of the explorer program and work under the direct supervision of the Cadet Commander and Post Advisors. Cadets at times will serve as supervisors during explorer events and focus on the operational and administrative functions of the explorer program.

Cadets are not commissioned as law enforcement officers and do not have authority to make a full custody arrest. Cadets may be assigned to assist in law enforcement related community service functions under the supervision of a sworn law enforcement officer. They can also be used as a resource during emergencies and large scale special events. Generally, they receive less training than sworn officers or full-time employees. Cadets are not authorized to carry a weapon.

1.2 Goals and Objectives

The Macomb Police Cadet Program is a professional law enforcement orientation program, jointly sponsored by the Macomb Police Department and the Boy Scouts of America. The major objective of this Cadet Program is to promote the ideals, knowledge, and philosophies of the law enforcement profession.

From these objectives, this Explorer Post has identified six major goals within its activities:

- 1. Service to the community**
- 2. Leadership and social development**
- 3. Continuing education**

CHAPTER 5
MEETINGS AND FUNCTIONS

5.1 Meetings

Cadets are required to attend weekly training. This is extremely important as training is the cornerstone of the program and will enable the cadets to engage in hands-on opportunities such as ride alongs, marksmanship, and more. Vital program information and guidance pertinent to cadets will be distributed at these training classes. Lack of attendance may affect the cadet's ability to participate in all aspects of the Program. If a cadet cannot attend an event for any reason, it is their responsibility to notify their chain of command. Cadets should notify their chain of command no less than six (6) hours prior to the event they are missing.

Staff meetings will be held monthly on the last Tuesday of the month, or a time determined by the post advisor. Cadets are required to attend unless otherwise excused.

5.2 Attendance and Punctuality

Cadets are required to attend all meetings, unless otherwise excused by the Post Advisor, with a minimum of six (6) hours notice. Although missing meetings are extremely discouraged, cadets are allowed to miss meetings as long as prior notice is given in accordance with the handbook. Semesters can be different each year and follow Western Illinois Universities' school schedule to determine when the semester begins and ends. Missing more than three (3) meetings without appropriate notice can result in disciplinary action, dismissal and/or suspension from the program.

Cadets must be punctual in attending Post functions and various Police Department activities that includes post meetings and events. Tardiness to a post meeting or an event in which a Cadet said they could partake in without the minimum six (6) hour notice shall result in reprimand in accordance with the post discipline policy.

Attendance and participation at meetings is restricted to members, Advisors, guest instructors, and police officers who are assisting in training exercises.

Macomb Police Department Cadet Policy Handbook

Any cadet unable to participate in Post activities for an extended period of time may request a leave of absence. All leaves of absence will be requested to the Post Advisor and approved by the Post Advisor. Absence documentation will be maintained in the individual Working File. All leaves of absence may be granted for a minimum of one month and a maximum of six months; extensions are possible and will be addressed on a case-by-case basis by the Post Advisor.

Example reasons for a leave of absence are, but are not limited to, military training, participation in organized sporting events, demanding coursework and/or classes which conflict with meeting times, and prolonged illness. Supporting documentation must be submitted with a cadet's request for a leave of absence from the post.

5.4 Advancement and Point System

Cadets in good standing will be considered for advancement to fill vacancies and new positions as they arise.

Cadets will be given one point for every meeting and special event they attend. Half points will be awarded if a Cadet attends but leaves early or arrives late. These points will assist post advisors and staff officers in selecting cadets for advancement or other special opportunities.

Attendance points will be maintained by the cadet administration officer and supervised by the cadet commander or their designee.
