FOR IMMEDIATE RELEASE

June 18, 2021

## DOWNTOWN REVITALIZATION PROJECT WEEKLY UPDATE

MACOMB, IL- Starting Monday, June 21, 2021 McCarthy Improvement will be pouring sidewalks starting on the west side of North Lafayette, followed by the north and south sides of West Jackson Street, and then the west side of South Lafayette Street. It will take a minimum of three weeks to complete the sidewalks. After sidewalks are complete, asphalt will follow. During this process, please be cautious while driving or walking near the work zone and proceed carefully as the concrete will be wet.

During Heritage Days, June 24 through June 26, 2021, West Jackson will remain closed. Please use East Jackson, South Randolph, North or South Lafayette to enter the Downtown Square.

Entrances to the businesses will be accessible through the construction process. The estimated date of completion for the Downtown Revitalization Project is December 15, 2021. More information can be found on the City Macomb Website, Downtown Macomb/Facebook, or join us in the City Hall Community Room for weekly update meetings each Thursday at 2:00PM.
