FOR IMMEDIATE RELEASE

June 25, 2021

DOWNTOWN REVITALIZATION PROJECT WEEKLY UPDATE

MACOMB, IL- McCarthy Improvement will continue pouring sidewalks on the west side of North Lafayette, the north and south sides of West Jackson Street, and the west side of South Lafayette Street. Contractors are on schedule, weather permitting, to complete East side of the square by mid-July. Please remember during this process, please be cautious while driving or walking near the work zone and proceed carefully as the concrete will be wet.

Entrances to the businesses will be accessible through the construction process. As the contractors are pouring sidewalks in front of businesses pedestrian walks will continue to shift through this process.

The estimated date of completion for the Downtown Revitalization Project is December 15, 2021. More information can be found on the City Macomb Website, Downtown Macomb/Facebook, or join us in the City Hall Community Room for weekly update meetings each Thursday at 2:00PM.
