FOR IMMEDIATE RELEASE

July 23, 2021

DOWNTOWN REVITALIZATION PROJECT WEEKLY UPDATE

MACOMB, IL- McCarthy Improvement will continue to work on the ADA ramps and sidewalks on the west side of North/South Lafayette St. and W. Jackson St. Stage (1) one of this project should be completed by August 13, 2021.

The contractor, weather permitting, will transition to Stage (2) two which includes East Jackson and east side of North/South Randolph Street on Monday August 9, 2021. Please remember, during this process, please be cautious while driving or walking near the work zone and proceed carefully as the concrete will be wet.

Entrances to the businesses will be accessible through the construction process. As the contractor is pouring sidewalks in front of businesses, pedestrian walkways will continue to shift through this process. Pedestrians are encouraged to pay attention to the changing walk patterns.

The estimated date of completion for the Downtown Revitalization Project is December 15, 2021. More information can be found on the City Macomb Website, Downtown Macomb/Facebook, or join us in the City Hall Community Room for weekly update meetings each Thursday at 2:00PM.
