FOR IMMEDIATE RELEASE

July 9, 2021

## DOWNTOWN REVITALIZATION PROJECT WEEKLY UPDATE

MACOMB, IL- McCarthy Improvement will complete the remainder of the curb and gutter along the west side of North/South Lafayette and West Jackson Street by Friday, July 9, 2021. Next week, July 12, 2021 contractors will be pouring the median on West Jackson Street and continue pouring ADA Sidewalks. The contractor, weather permitting, will have the west side completed by the end of July and start the transition to East Jackson and east side of North/South Randolph Street. Please remember, during this process, please be cautious while driving or walking near the work zone and proceed carefully as the concrete will be wet.

Entrances to the businesses will be accessible through the construction process. As the contractor is pouring sidewalks in front of businesses, pedestrian walkways will continue to shift through this process. Pedestrians are encouraged to pay attention to the changing walk patterns.

The estimated date of completion for the Downtown Revitalization Project is December 15, 2021. More information can be found on the City Macomb Website, Downtown Macomb/Facebook, or join us in the City Hall Community Room for weekly update meetings each Thursday at 2:00PM.
