The Macomb Police Explorers is a youth program for those interested in the field of law enforcement. This program enables explorers to develop marketable leadership skills, impresses the importance of community service, and provides an environment based on teamwork. Funds raised will be utilized to purchase uniforms, training aids, and fund community service projects within our community. This program is an entirely self-funded program and without the support of our community, we would not be able to provide our youth with this training and positive learning environment. We are thankful for our donors and those that make this program possible.

Checks can be made out to "FOP Lodge #189"
