FOR IMMEDIATE RELEASE

12/04/2025

MACOMB, IL – Discharge of Firearm

On 12/03/25 the Macomb Police Department received a walk-in report from a citizen regarding suspicious circumstances. The party reported hearing a loud noise the previous evening followed by drywall debris landing on him while he was in bed. An inspection of his apartment in the daylight revealed a hole in the wall and a projectile lying on the nearby floor. Macomb PD personnel obtained a search warrant for the neighboring apartment. The search warrant revealed a stolen handgun and high-capacity magazine. Subsequent investigation indicated the bullet originated from that apartment. A juvenile male was placed under arrest for multiple charges due to his involvement in this matter.

All suspects are presumed innocent until proven guilty.
