Large Item Stickers for Bulk Item Collection

WM offers convenient bulk item collection for items that are too large to fit in your curbside container. Macomb residents, ***who pay for garbage on their water bill***, may purchase a large item sticker for $20 from the City of Macomb Finance Office and attach the sticker to the item before collection.

When to Set Out Your Item

Place stickered bulk items at the curb after 4:00 p.m. the day before your regular scheduled collection day and leave them out until collected.

WM will make every effort to collect stickered bulk items on the resident's regular collection day. Bulk items are collected separately from regular household waste using a different collection vehicle, so collection may occur later in the day or on a following day depending on operational conditions.

Common Bulk Collection Guidelines

The examples below cover common items accepted and not accepted for bulk collection but are not all-inclusive. Acceptance of individual items is subject to WM's collection, safety, and disposal requirements.

Common Acceptable Bulk Items

- Household furniture
- Sofas (fabric covered items must be covered in plastic)
- Mattress and box spring (count as one item together and must be covered in plastic)
- Water heaters (must be drained)
- Toilets (must be drained, with the tank removed and separated)
- Carpet (must be cut, rolled, and bundled; bundles cannot exceed 4 feet in length and 2 feet in width)
- Stoves, washers, and dryers

Common Items NOT Accepted

🚫 Electronics, including televisions, computers, cables, cords, and cell phones

🚫 Appliances containing Freon, including refrigerators, freezers, air conditioners, and dehumidifiers

🚫 Items containing exposed nails, staples, sharp edges, or broken glass

🚫 Large auto parts and engines

🚫 Yard waste, tree stumps, and landscaping rock

🚫 Tires

🚫 Batteries (household, vehicle, or EV)

🚫 Construction and demolition debris, including concrete

🚫 Items over 40 pounds or items that cannot be safely lifted by one person
